**Welcome the LIGHT of our LORD!**

### **\*Call to Worship**

Leader: Post this at all the intersections, dear friends: Be quick to listen, slow to speak, and slow to become angry. God's righteousness doesn't grow from human anger.

**People: God have mercy, sometimes my anger is a volcano, burning everyone in its path.**

**\*Call to Worship** (continued)

Leader: Throw all that is rotten in your behavior in the compost heap. In all humility, let our gardener, God, landscape you with the Word, making a garden of salvation of your life.

**People: Prune away, dear God, anything that gets in your way of making us a people who grow to look like Jesus in every moment of every day. You know we need you to tend us, like a good farmer tends his fields.**

Leader: Real religion, pure devotion, the kind that is approved by God is this: To look after the fatherless and the widows and to keep ourselves irreproachable by the world.

**People: Set me free this morning, Father of Lights, from thinking that what we do here is more important than how I treat people the rest of the week. May our morning worship be real religion, pure devotion, so that we can be love to the loveless and help to the helpless all week long.**
